

EPC CONTRACTS FOR POWER & ENERGY PROJECTS

January 25-26, 2021
Online | Central Time

“This course will help my firm to better conduct our commercial activities related to building power plants. By giving me a broader understanding of EPC contracts and planning, I can more effectively manage my team and development resources.”

SVP, API-LLC

An EPC contract is utilized for the development of power and energy projects and comprehensively addresses all aspects of the design, procurement, and construction of the project. It sets forth the duties, obligations, and responsibilities of the parties, defines the scope of work, allocates risk among the parties, and sets forth the financial obligations and entitlements of the parties. Understanding the provisions, mechanisms, and concepts regularly utilized in an EPC contract is critical to successfully developing a project from inception to commercial operation.

This course will cover everything from conception to completion, with the end goal of teaching the attendees everything they need to know in order to go back to their organizations with a vast and holistic knowledge of the contracting process in order to participate in in-depth conversations.

 EUCI is authorized by IACET to offer 1.0 CEUs for the course

LEARNING OUTCOMES

- Review the objectives of EPC contracts (including enforceability, usability, allocation of risk, etc.) as well as the RFP and bidding process
- Discuss the anatomy of the contract from its development and description to prerequisites, obligations, and issues
- Learn how to negotiate EPC contracts including best practices, practical approaches, and the development of exhibits (i.e. order of precedence, personnel, security, permits, commissioning, etc.)
- Gauge how to avoid, navigate, and manage claims

INSTRUCTORS

- **Michael W. Kaphing**, Partner, Taft Law
- **Matthew A. Sanders**, Associate, Taft Law

ONLINE DELIVERY & PARTICIPATION DETAILS

EUCI will use Microsoft Teams to facilitate participation in the upcoming event. Attendees do not need to have an existing Teams account to participate in the broadcast. The course will play in attendee's browser. When attendees sign on, their microphones are typically muted. Attendees should keep their mic muted until such time as it's needed to ask a question. During the event, participants will have the option of using a microphone to speak with the room and ask questions, or type in any questions via the chat window and our online administrator will relay your question to the instructor.

- Each attendee will receive an event invitation by e-mail, which will include one link to sign on for each half-day of the event (i.e., three links for a 1 ½ day event). The appropriate link must be used to join each half-day event segment at the appropriate time.
- The remote meeting connection will open approximately 30 minutes before the start of the course. We encourage attendees to connect as early as possible in case of unforeseen problems.

Substitutions & Cancellations

Your registration may be transferred to a member of your organization up to 24 hours in advance of the event. Cancellations must be received on or before December 18, 2020 in order to be refunded and will be subject to a US \$195.00 processing fee per registrant. No refunds will be made after this date. Cancellations received after this date will create a credit of the tuition (less processing fee) good toward any other EUCI event. This credit will be good for six months from the cancellation date. In the event of non-attendance, all registration fees will be forfeited. In case of course cancellation, EUCI's liability is limited to refund of the event registration fee only. For more information regarding administrative policies, such as complaints and refunds, please contact our offices

EUCI reserves the right to alter this program without prior notice.
