

PROJECT MANAGEMENT FOR GEOGRAPHIC INFORMATION SYSTEM (GIS) PROFESSIONALS

December 3-4, 2020
Online | Central Time

“EUCI courses have three fundamental characteristics: substance, substance, and substance. Time and money well spent.”

Assistant GM-Power Supply,
Burbank Water and Power

This seminar will explore the keys and speedbumps in order to successfully implement a Geographic Information System solution at your company. This can be a full system replacement, upgrade, or a smaller project such as integrations and version upgrades. This will highlight core Project Management principles but with a specific GIS focus, which will result in the participants leaving with an enhanced understanding of project management from justifying the project to celebrating the results.

LEARNING OUTCOMES

- Justify what's encompassed in a GIS project and what drives the initiative
- Discuss how to establish a team and set the scope of the project
- Gauge how to receive executive approval efficiently to start a project, as well as the methods on how to staff the project
- Review vendor selection, management oversight, and project execution and principles
- Recognize how to communicate effectively with your staff and how to handle the inevitable issues that are presented
- Review how to close a project and how to implement sustainment practices

INSTRUCTOR

Chuck Legg, Professional Engineer, Province of Ontario

EUCI is authorized by IACET to offer 1.0 CEUs for the course

ONLINE DELIVERY & PARTICIPATION DETAILS

EUCI will use Microsoft Teams to facilitate participation in the upcoming event. Attendees do not need to have an existing Teams account to participate in the broadcast. The course will play in attendee's browser. When attendees sign on, their microphones are typically muted. Attendees should keep their mic muted until such time as it's needed to ask a question. During the event, participants will have the option of using a microphone to speak with the room and ask questions, or type in any questions via the chat window and our online administrator will relay your question to the instructor.

- Each attendee will receive an event invitation by e-mail, which will include one link to sign on for each half-day of the event (i.e., three links for a 1 ½ day event). The appropriate link must be used to join each half-day event segment at the appropriate time.
- The remote meeting connection will open approximately 30 minutes before the start of the course. We encourage attendees to connect as early as possible in case of unforeseen problems.

PLEASE SELECT

PROJECT MANAGEMENT FOR GEOGRAPHIC INFORMATION SYSTEM (GIS) PROFESSIONALS ONLINE COURSE
DECEMBER 3-4, 2020: US \$1195 (Single Connection)

PACK OF 5 CONNECTIONS: US \$ 4,780 (20% Discount)

Substitutions & Cancellations

Your registration may be transferred to a member of your organization up to 24 hours in advance of the event. Cancellations must be received on or before October 29, 2020 in order to be refunded and will be subject to a US \$195.00 processing fee per registrant. No refunds will be made after this date. Cancellations received after this date will create a credit of the tuition (less processing fee) good toward any other EUCI event. This credit will be good for six months from the cancellation date. In the event of non-attendance, all registration fees will be forfeited. In case of course cancellation, EUCI's liability is limited to refund of the event registration fee only. For more information regarding administrative policies, such as complaints and refunds, please contact our offices at 303-770-8800.

EUCI reserves the right to alter this program without prior notice.
