OUTLOOK FOR NATURAL GAS PRICING & MARKETS

July 14, 2009

2:30 – 3:30 PM Eastern Time

OVERVIEW

How will natural gas fit into tomorrow's energy portfolio? What are the drivers of natural gas price? How do the markets work? There are potentially big impacts on all fossil fuels from energy initiatives under consideration. What might that mean for natural gas? What does the supply of natural gas look like? Will it be accessible?

Norm Szydowski will discuss these and other hurdles - technical, political, and economic - in a primer on natural gas and its role in the electricity sector.

WHO SHOULD ATTEND

Decision makers and practitioners interested in understanding how natural gas fits in the country's energy portfolio and the issues in play which will shape its future.

- Utility management with generation responsibilities
- Bankers and investors involved in carbon markets
- Managers of strategic planning
- PUC staff and commissioners
- Regulatory staffers
- Legislators and staff

LEARNING OUTCOMES

- Discuss natural gas as a part of the US energy portfolio

Methods of Instruction

Web based PowerPoint presentation and on-line interactive question/answer session.

OUTLOOK FOR NATURAL GAS PRICING & MARKETS

July 14, 2009

2:30 – 3:30 PM Eastern Time

LOGGING IN TO THE WEB CONFERENCE

After registration, each registrant will receive a confirmation of payment or an invoice, depending on method of payment. Each registrant will also receive an e-mail with appropriate login information and more information regarding the event 24 hours prior to the start of the event. To log on, you will need a Windows PC with a broadband connection and audio system.

WHAT IS A SINGLE SITE CONNECTION?

A site connection allows a single connection to the web conference. That connection is open to any number of users in a collaborative setting. Because there are no travel expenses and only a single registration fee is required, each additional participant lowers the cost per participant significantly.

By purchasing a site connection, you can invite as many people as you would like to view and participate in the session from a single location. Set up the session in a conference room and project the presentation and chat on a large screen. You also have rights to distribute copies of the presentation materials to everyone involved. Please note that audio is received via the computer sound system and must be broadcast to your group.

If for any reason a relevant stakeholder cannot co-locate for the session, we encourage you to include that person by purchasing an additional connection at the reduced fee of \$145 per session. This will ensure that every member of a team receives the same relevant, timely information in the most efficient way.

If you have any technical or purchasing questions, please contact us at (201) 871-0474.
