ADVANCING WOMEN'S LEADERSHIP SKILLS & OPPORTUNITIES IN PHARMA & HEALTHCARE CONFERENCE

September 27-28, 2018

Wyndham Philadelphia Historic District • Philadelphia, PA

Preliminary Agenda

ADVANCING WOMEN'S LEADERSHIP SKILLS & OPPORTUNITIES IN PHARMA & HEALTHCARE

Attendees will learn from female business executives who overcame barriers and created their own opportunities along the way. Through keynotes, panels, industry specific break-outs and unique mentoring breaks, this event shines a spotlight on influential women in Pharma and Healthcare, bringing industry role models and their journeys to the forefront.

Our event will engage attendees to develop methods for elevating women into leadership roles to continue to close the industry gap. Attendees will have a chance to facilitate career & business connections with other women in leadership roles. Featured speakers will share effective practices they've deployed to develop female talent and ideas for continued leadership development at all levels. During the conference, attendees will be exposed to and have plenty of networking opportunities with key thought leaders, mentors and industry influencers.

Expected outcomes of the event: to be inspired, gain practical advice, meet peers and mentors

TOP FIVE REASONS TO ATTEND

- Rare opportunity to learn from and be motivated by women who've achieved C-Level positions
- Hear ideas and best practices for overcoming barriers to success
- Network with peers, mentors and those on their way up in leadership roles
- Understand how to prepare for the next leadership role in Pharma and Healthcare
- Learn strategies for overcoming unconscious bias and the imposter syndrome

ATTENDEE PROFILE

Mid-level leaders who are emerging and seeking knowledge to facilitate upward mobility. This conference is for managers, directors and VP's looking to continue their career path to senior level, executive level and C-suite roles in companies in the following industries:

- Pharmaceutical companies
 - Hospitals, healthcare system & healthcare providers
 - Health insurance companies
 - Biotech companies
 - Medical device manufacturers
 - Healthcare related associations, foundations, solutions providers, educational organizations, government entities and venture capitalists
-
